## COMMODORE'S COMMENTS

**Jay Nix**

For those of you who missed the Christmas Party, too too bad! A lot of fun was had by all those who attended. We again had the White Elephant gift opening. As usual, there were those who had their sights set on certain items and it became a case of who would be the last to hold them. The food was out of this world. Our hats off to Jerry and Cheri Sagers for the preparation of the steaks, they were great.

It is now that time of year when we start thinking of those who we want to serve on our Executive Board. Please look around, talk with your fellow members and see who is interested in the positions. We will be accepting nominations at the January meeting and I will be appointing a nomination board to speak with members about their interest in the various positions.

I understand from those who attended, the Washington Channel Parade of Lights was beautiful. I am sure that our Vice Commodore will have more to say on the subject. I hope that you got to read the article in the January issue of Chesapeake Bay Magazine.

Ellen and I will not be present for the January meeting as we will be in Florida for some much needed R&R. The meeting will be in good hands with our Vice Commodore presiding.

**SECRETARY'S STUFF**  
**Jay Hochstaine**

It's hard to get going after a long holiday. This edition of news is a little light, reflecting the cold weather and the lack of activity on the water at Quantico. Don't forget to check the website for the latest news on our activities. The Superbowl party is on the 26th and I hope to have more details to put out there after the meeting on the 10th. Can anyone sponsor this event? Let Betty Walker know. Pictures from the Christmas Party are out there now.

**TREASURER'S BOTTOM LINE**  
**Mike Crouch**

"QYC has been recertified as a type III private organization."

**FLEET CAPTAIN'S CALL**  
**Dick Hansen**

Just a short note to say "Bon voyage" and thank you for my membership and opportunity to serve part time as Fleet Captain. I feel very fortunate to have had the opportunity to associate with the QYC for the year I was stationed in DC. It would be hard to describe the large contribution that you folks and the QYC facilities made during my geo-bachelor year away from home and family. I regret that my reciprocal contribution to you as a member and Fleet Captain/Custodian was meager; I hope to be able to join and serve the QYC in some future capacity during the next tour in DC. It will give me an opportunity to finally repaper/paint the heads and recaulk the tub! Thanks again and may your boating days be safe and enjoyable.
